We Welcome You To Worship With Us

At Busti Federated Church

Rev. Lee O'Brien - Pastor

Thank you for taking the time to visit our website. As we face these uncertain times it's important to come together to worship. Even though we can't physically come together we can come together through the Holy Spirit. We can continue to pray for each other, share we each other and support each other.

This week we pre-recorded a message from Pastor Lee. Over the next several weeks we hope to expand our "virtual worship service" to a full service format and possibly a live stream. Please be patient with us as we continue on life's journey together.

Even though our building will remain closed for the next several weeks we still have expenses that need to be paid. If you are a regular contributor you can mail a check to the church and we will be checking the mail periodically. The church also has a secured PayPal account and there is link to that on our website.

Easter Sunday

This year Easter will be very different then what many of us have ever experienced. Even though we will not be able to gather together we are all of the same Spirit. We can celebrate the Risen Savior that died for us so that we could spend eternity in heaven.

Today's Scripture

They brought it to Jesus, threw their cloaks on the colt and put Jesus on it. As he went along, people spread their cloaks on the road. When he came near the place where the road goes down the Mount of Olives, the whole crowd of disciples began joyfully to praise God in loud voices for all the miracles they had seen: "Blessed is the king who comes in the name of the Lord!" "Peace in heaven and glory in the highest!"

Luke 19:35-38

Now it was the governor's custom at the festival to release a prisoner chosen by the crowd. At that time they had a well-known prisoner whose name was Jesus Barabbas. So when the crowd had gathered, Pilate asked them, "Which one do you want me to release to you: Jesus Barabbas, or Jesus who is called the Messiah?"

Matthew 27:15-17

Lifting Each Other Up In Prayer

Now more than ever it is important that we hold each other up in prayer. We will be updating this list and sending it to you on a weekly basis. We will also continue to utilize the prayer chain as well as a new call list.
